# Adults

To run a movement like the Scouts we need adult support. There are many roles for adults in Scouting, not only do we need adults to work with the youth membership but we need adults to work in other roles.

You could be one of the following :-  
A Chairperson, a treasurer, a secretary, a member of a committee , a quartermaster, join the scout fellowship, fund raiser, adult trainer, gang show helper, the list is endless. If you feel you want to work with the young people you could help in one of the following roles

Leadership role, parent helper, helper, activity adviser, gang show helper, skilled instructor once again the list is endless.

**If you wish to help we will help find a role for you**  
**All adults will have to be CRB check before starting to work with in the movement**

## NETWORK

The Scout Network is the Section for 18 to 25 Year Olds who wish to carry on their personal development through Scouting. There are many different activities and Awards available for Scout Network Members to participate in
